### PRECIPITATION THE LOWEST ON RECORD

#### MONTHLY REPORT OF WEATHER OBSERVATIONS TAKEN IN THIS CITY

November, like October, was a record breaking month as to precipitation. Only a trace was noted by Observer H. Legler. It fell on the 26th. There were 158 hours of sunshine during the month, 52 per cent. The highest temperature in November was 64 degrees on the 1st and 14 degrees on the 13th. The total precipitation since September 1st has been .27 of an inch, while the normal is 2.24 inches. The prevailing direction of the wind was from the southeast and the total movement was 6767 miles. The highest velocity attained was 42 miles per hour from the north-west on the 16th. The month contained ten clear, eight partly cloudy and twelve cloudy days. Light frost occurred on eight mornings and killing frost on nine mornings.

### INTER-CLASS GAME WILL BE PLAYED

#### BASKETBALL TOURNEY STARTS BETWEEN STUDENTS OF PUBLIC SCHOOLS

At 3:45 this afternoon the first inter-class game will be held at the Gym. There will be four teams: senior vs. sophomores, junior vs. freshmen. After these two games, the eighth grade boys will play the seventh grade boys and then the two winning girls' teams will play for the championship of the school. The girls have put in a great deal of hard practice and, as the older experienced players are well distributed, the championship contest will be more than worth the small admission. The admission will be ten cents and will be taken at the door. This money will be used in purchasing the necessary equipment for the first team when it is chosen.

The games are not only important because of the championship title, but also because the girls' coach, Mr. Cross, expects to get a line on players for the team which will represent Tonopah against outside teams. See these games and tell your friends and neighbors about them. Then they will come to future games. You and they can not afford to miss them because we guarantee you your money's worth at all of them. With the close of the football season, girls' basketball has started with a vim. At present some twenty girls are trying out for places on the high school six. The newer girls in the game are showing up well and with about a dozen of the older players out the fight for positions is rather keen.

The regular playing season opens Friday, December 10, when the high school girls take on a team made up of old stars selected from local girls and teachers.

#### TESTING ORE FOR NEW MILL

C. F. Wittenburg, of Tonopah, owner of the Cyanide and other mining claims on Adams Hill, was an arrival here last Saturday, says the Eureka Sentinel. He drove over in his auto and was accompanied by R. H. Burdick, T. R. Buel, R. H. Ernest and E. Lembo, the three latter gentlemen being experienced millmen of Round Mountain. An inspection of Mr. Wittenburg's Adams Hill properties was made and a number of samples taken for the purpose of testing the ore for working by the cyanide process, and it is understood that if the samples work out satisfactorily a mill to treat the ore of Adams Hill will be erected here next spring.

### NOTICE

1915 taxes, State, County and School, are due and payable at the office of the County Treasurer. If not paid on or before December 9th they will become delinquent and the penalties provided by statutes will be added.

N. K. FRANKLIN,  
Adv. Dec. 115 County Treasurer

#### NOTICE TO EAGLES

Further nominations and election of officers by Tonopaherie No. 271, F. O. E., will take place Friday evening, All members are requested to be present.

C. L. RICHARDS,  
Adv. D113 Secretary

F. L. HOLMES and wife, of Cleveland, Ohio, are stopping at the Mizpah.

### PROPERTY AT BELMONT PLEASING TO VISITORS

#### SUNRISE LODGE BEING ACTIVELY DEVELOPED BY HARRY STIMLER

C. W. Taylor and W. E. Marsh, who accompanied Harry Stimler to Belmont Tuesday to view his mining property there, returned very enthusiastic over the outlook. They report that the entire bottom of the shaft is now in ore of shipping grade. Silver values predominate. This property is almost in the center of the old town and the ledge crops boldly, but on the surface it does not have a very promising appearance and has been known as the bull quartz ledge. It is included in the Sunrise group of claims.

At one place near the surface there were bunches of high grade round in the early days by the original owner, Pete Bartell. He chlorided small shipments now and then for a number of years. After his death the property was relocated several times, but no work was done until Mr. Stimler purchased the ground. He is now sinking and drifting in both directions on the ninety-foot level and has a large accumulation of excellent ore.

### ANOTHER FLOOD OF COUPONS RECEIVED

The two candidates and their friends are making a great fight for the prize that is offered by the Nevada Film company, Inc., of Tonopah. The contest closes December 30 and by that time it is certain that the mark. Following was the standing of the candidates this morning:

Miss Isabel Davis, 141,550.  
Miss Eleanor Malone, 93,050.

#### GARBAGE NOTICE

We don't mean to overlook anyone, but owing to the fact that we have had such a heavy run for the last ten days is why we are a little late in getting around. The public neglect to make preparations for the third wagon for Thanksgiving and that threw all that work on the two wagons, so if you will have patience, and always call phone 1025-5, your wants will be attended to.

CITY SCAVENGER  
—Adv. D114

### ELKS PREPARING FOR DOUBLE JITNEY FAIR

Speaking of the Elks' roundup, to resume the conversation of yesterday, let it be remembered that December 15 is the date and the Elks' home the place. The proceeds are to be devoted to Christmas charity. As announced previously, nothing will be charged for admission and no item of the entertainment will cost over a double jitney, ten cents, one dime, two nickels. Tickets, however, are being sold for \$1 each. They will be redeemed at the door in bingles that may be used to purchase whatever is offered for sale.

### MISSION SERVICE AT ST. MARK'S CHURCH

#### EVENING CONGREGATION WAS THE LARGEST THAT HAS YET ASSEMBLED

Beside the Holy Communion at 10 a. m., Mr. Unsworth had a short service for the children at 4 in the afternoon. The short address was on the importance of little things, the little pleasant courtesies and kindnesses of life, in word and deed, the ready ungrudging, alacrity obediences that get the start of commands even, let alone scolding and other severe punishments. He told them of the value of close attention to the little details of duty and of work that went so far to make the perfection that in the close competition of our modern life was specially sought and gained the prizes always waiting for that sort of dependable fidelity.

The evening congregation was the largest yet and the offering the largest. All the offerings are to go towards the expenses of the mission. The subject of the sermon was "The Fruit of the Spirit," the clusters of which Mr. Unsworth described. They are love, joy, peace, long suffering, kindness, goodness, faithfulness, meekness, temperance, i. e. self-control.

Tonight the subject is "The Holy Spirit as the source of Power."

#### TEMPERATURE REPORT

Highest temperature yesterday, 49; a year ago, 35.  
Lowest temperature last night, 38; a year ago, 25.

### PERSONAL

W. J. ATKINSON and wife are arrivals from Blair.

L. H. COOK is over from Goldfield on a business errand.

GEORGE W. SUMMERFIELD was a passenger this morning for Reno. C. F. WITTENBERG left this morning for San Francisco to witness the closing of the Panama-Pacific exposition.

MISS NELLIE DONAHUE, of Goldfield, is spending a few days in Tonopah. She is the guest of Mrs. Frank J. Cavanaugh.

GEORGE CHERAR, a mining man of Basin, Montana, was an arrival this morning. He is interested in the Monitor-Belmont property at Belmont.

MRS. J. E. PECK and little daughter were passengers on this morning's train for Reno, where an eye specialist will be consulted for the benefit of the child.

GEORGE S. BROWN, attorney for the Southern Pacific company in the case brought against that corporation by J. Grant Cronley, returned to Reno on today's train.

MRS. M. ROCHE, mother of Mrs. J. C. Pierce, who had been visiting her daughter and son-in-law for the past three months, departed this morning for her home in Chicago.

#### AT THE MARBLE WORKS

The machinery and equipment last week reported en route for Carrara is arriving daily. Three cars have been unloaded, and two or three are expected within the week, says the Obelisk.

The incoming shipments include polishing jennies, copers, rubbing beds, and, in fact, practically all of the equipment of the gang saws, which are not yet reported on the way from the factory.

With the arrival of Mr. Bowker, the efficiency engineer of the A. C. M. company, work will be commenced on the finishing plant and rushed to conclusion.

Bids are being received by the marble company for the fifteen electric traveling crane to be installed in the plant for the handling of the big blocks and transfer purposes.

#### BILL WANTED HIS

Miss X—, a teacher in the Tonopah public schools, according to an endman in the minstrel show last evening, told her kiddlets in the first grade the other evening that the first little boy to arrive at school the next morning would receive a kiss as a reward. Bill Evans was asserted to have set on the schoolhouse steps all night.

Pressing the button that turns on the current also operates a cigar cutter in a new electric cigar lighter.

A GENERAL BANKING BUSINESS TRANSACTED  
OUT-OF-TOWN ACCOUNTS SOLICITED

It is said that over 10,000,000 women in this country shop daily, 99 per cent of whom are influenced through advertising to buy a certain article or go to a certain store; hence when a small dealer tells you that advertising doesn't pay, you will find, nine times out of ten, that not only his advertising but his store methods are faulty. He is, very likely, a spasmodic advertiser. He is operating without any particular plan or policy. In short, he is a hot and cold proposition, pretty much like the old rooster in the snow, standing first on one foot, then on the other, trying to avoid getting cold feet, where if he used both feet at the same time, he would get to some place where there wasn't any snow. The advertiser who uses the Daily Bonanza

### AMUSEMENTS

#### BUTLER THEATER

The feature at the Butler theater tonight will be a World Film release in a five-part photoplay, "The Master Hand," based on Carroll Flemming's drama of the same name, with Nat C. Goodwin, the famous and best known actor in the world, in the leading role. "Nat" is welcome in pictures. As an actor he is versatile; his name and personality are familiar to millions. Any picture in which he appears is assured, in advance, of special attention. "The Master Hand" is a strong drama, if ever there was one, with a trio of villains just about as villainous as villains can be. There are—first, a husband who marries a rich widow, wants her money and stops at nothing short of slow murder to gain his ends; second, a female accomplice, a lady doctor, who drugs the unsuspecting woman and plans to marry hubby when the wife dies; third, a rascally doctor who keeps a private sanitarium and conspires with hubby and the lady doctor to have the wife committed to his sanitarium. It is a picture that will be enjoyed from start to finish and the public has a rare treat in store for them. The preliminary reel will be Pathe Weekly which will run ahead of the feature. Tomorrow Theda Bara in a Fox production entitled "Sin."

#### A SLAM ON THE BOSS

Inasmuch as the editor and manager of this paper is engaged on business outside the office for the balance of the afternoon and will not have a chance to see the proofs, it affords a good opportunity to tell a jolly that was pulled off on him last night at the minstrel show:

"Did you know Bill Booth?" inquired Jack Thompson, one of the end men.

"Sure I knew the old scoundrel. I've been on his bail bond often enough to be acquainted. What about him?"

"He's dead; passed away."

"You don't mean it! What was the complaint?"

"No complaint; everybody's satisfied."

#### INSURANCE PAID PROMPTLY

Thomas Cherry has received a check for \$1,000 from the Fraternal Brotherhood, insurance on the life of Mrs. Cherry, who recently died.

#### NOTARY APPOINTED

The governor yesterday appointed A. G. Johnson, of Fallon, as a notary public for the county of Churchill.
